

# **Fraunhofer Institute for Microstructure of Materials and Systems IMWS**

## **Journey Description**

## Journey Description

### ■ By car

*From western direction:*

Follow B 80 in direction »Magdeburg/Klinikum Kröllwitz/Universität (Weinbergweg)« until crossing Gimritzer Damm / Blücherstraße, turn left onto »Blücherstraße« and follow the street until the end. Then turn right onto »Walter-Hülse-Straße« and follow the street approx. 350m to the Fraunhofer-Institute on the right hand side of the street.

*Other directions:*

(Autobahn A 9, A1 4) leave the A 9 at the exit Halle, the A 14 at the exit »Halle-Peißen«, follow the signs to »Zentrum« and »Halle-Neustadt/Eisleben (Riebeckplatz)«, leave the street after crossing the bridge over the river »Saale« at the exit »Gimritzer Damm« and follow the signs to »Magdeburg/Klinikum Kröllwitz/Universität (Weinbergweg)« until crossing »Gimritzer Damm / Blücherstraße«, continue as from western direction.

### ■ By train:

By train to Hauptbahnhof Halle railway station. From the Hauptbahnhof stop, take tram line 2 to Kröllwitz, get off at the "Weinberg Campus" stop (the stop before that is called "Gimritzer Damm"). Travel time around 20 minutes.

### ■ By plane:

Take the train S5x (11min) to the main station Halle (Saale) or a taxi (50min) to Halle from the airport Halle/Leipzig.
